## STEP FORWARD MICHIGAN CAN HELP YOU AVOID FORECLOSURE.

It's easy to fall behind on mortgage or property tax payments. A costly hospital stay, a few months of unemployment or other unexpected events can let payments get away from you. Step Forward Michigan is here to help. We've assisted thousands of Michigan homeowners with loans to get them caught up on payments so they can keep their homes. And if you stay in your home long enough, you may not even have to pay the loan back.
